HOT DESK:

A Hot Desk is a flexible working option that allows you to choose any available desk within the co-working space. Choose from:

- **Library:** A quiet room reserved for focused work and no phone calls.
- **Soft Seating:** A variation of casual work space in an open and energetic environment.

DEDICATED DESK:

A Dedicated Desk is a workspace reserved exclusively for you. With a dedicated desk you can securely leave paperwork and personal items to make it your own.
